Dear Mr. Muñoz:

We would like to take this opportunity to recognize Keylite Power & Lighting Corporation as HITT Contracting's 'Featured Subcontractor'. You were nominated by our South Florida office for your dedication and commitment on seven HITT projects, totaling more than \$1.2 million. Please accept our sincere appreciation for your company's outstanding efforts.

Richard Pope says, "Keylite completed the DLA Piper project last fall in downtown Miami. This was a full floor project and Keylite was committed from start to finish. The Owner, Angel Muñoz, was extremely hands-on and the guys in the field had a 'whatever it takes' attitude. The project was very challenging and Keylite played a huge role in making the job a success. Their team truly understands the value of relationships."

It truly is a pleasure to work with professional subcontractors who operate with such integrity. At HITT, we take pride in completing projects on time, on budget, and with the highest level of quality and your commitment to our projects ensures this is no exception. Please forward our appreciation to your entire team.

As our Featured Subcontractor, your company was recognized in our Subcontractor Bulletin which is distributed to all 750 HITT employees. In addition your company information is scrolling on our lobby screens for employees and clients to see. Finally, we hope you enjoy your 'Truck of M&Ms!' Thank you again and we look forward to continuing our positive relationship on future endeavors.

Best Regards,
